Dear Dr Palmer

We are delighted to let you know that your paper ***“Consensus guidelines: best practices for detection, assessment and management of suspected acute drug-induced liver injury occurring during clinical trials in adults with chronic cholestatic liver disease”*** was in the top electronic downloads between 1<sup>st</sup> December and 31<sup>st</sup> December 2019 of recent articles published in *AP&T*.

The complete list of the top downloaded manuscripts can also be viewed at [www.APandT.org](http://www.APandT.org).

Many congratulations!

As ever, very many thanks for sending your interesting work to *AP&T* - please send some more!

Yours sincerely
